served by the warden in charge, an
increase of 1 over last year, but the
number of young born in the past
spring is not yet known. No ani-

EARL OF WARNICK ON GERMAN INVASION OF ENGLAND

London, Dec. 2.—The Earl of War-
wick, lord Lieutenant of Essex, in
addressing the Essex county organ-
ization of territorials today said that
in the event of a German invasion of
England, no attempt should be made
at resistance by individual civilians
who are not associated with some
form of military bodies.

"I have a perfect horror," he said
"of the statements which are being
made concerning promiscuous shoot-
ing on the part of the civilians in
the event of an invasion. This could
result only in terrible reprisals and
possibly in a repetition of the hor-
rors that have taken place in Bel-
gium."

"The civilian who, on the impulse
of the moment shoots an invader
may bring upon his neighbors the
most terrible reprisals. I hope that
the inhabitants, if they wish to be
of service, will put themselves under
some form of discipline or authority
and that we will hear no more of
this suggestion concerning promiscu-
ous shooting."

EUROPEAN WAR PROVING GREAT BOON TO AMERICAN MUSICIANS

Philadelphia, Dec. 2.—The Euro-
pean war is proving a great boon to
American musicians, composers and
teachers according to Dr. Hugh A.
Clarke, professor of music at the uni-
versity of Pennsylvania, who yester-
day addressed the annual convention
of the Sinfonia Phi Mu Alpha frater-
nity.

"The war has been the means of
overthrowing the great European fe-
tish which was held sacred by Ameri-
cans," he said. "Formerly no Ameri-
can artist could appear as a soloist
with an orchestra unless he could
claim foreign birth. The American
public is beginning to see the true
worth of their artists and will here-
after furnish the support which they
have been so long denied."

"Conservatories all report that they
have thus far a remarkably success-
ful year. Orchestras are complying
with a popular demand by placing
mostly American numbers on their
programs."

MRS. MEYERS LAID TO REST

Funeral Held In Sixth Ward Chapel.
Many Beautiful Flowers at
the Bier

A great many friends gathered at
the Sixth ward meeting house Thurs-
day where funeral services were held
over the remains of Mrs. L. A. Mey-
ers who died at her home in Ogden
Monday morning. The services were
most beautiful and many tender
words were spoken to lighten the
burden of the grief stricken relatives
of deceased, who had been a kind
mother and a loving friend of a great
many people. The ward choir sang,
"Nearer My God to Thee." Prayer
was offered by C. C. Jensen. The
choir then sang, "Rock of Ages."

The first speaker was Thomas
Browning of Ogden. He referred to
the many kind acts of Mrs. Meyers
during her residence in the Junction
City.

A solo was sung by Frank Baugh
Jr.

Orson Smith and J. Z. Stewart,
with closing remarks by Bishop O.
F. Rice, were the other speakers.
Benediction was pronounced by Geo.
W. Lindquist.

There were many beautiful flowers,
many coming from Ogden. There
was a most beautiful design from
the members of the Ogden Fire de-
partment, where Mr. Meyers has
served as an employee for a number
of years. Burial was in the city cem-
etry.

GERMAN STEAMER GIVEN COAL SUPPLY

Montevideo, Dec. 2.—Port authori-
ties prevented the German steam-
ship Mera from taking on coal be-
yond the capacity of her bunkers.

The restriction was placed upon the
vessel's coal supply because it is
alleged by the Montevideo officials,
the Mera's crew attempted to smug-
gle coal through the bunkers into
the ship's hold.

The Mera is one of three Ger-
man vessels coaling and provisioning
at this port and the presence of the
steamers is generally believed to be
connected with the reported arrival
of the German Pacific squadron in
southern Atlantic.

FOREIGN TRADE IS GROWING

Government Expert Figures That One
Year of War Will Increase
This Country's Com-
merce \$500,000,000

Washington, Dec. 2.—That one
year of the war in Europe will add
\$500,000,000 to the foreign commerce
of the United States is the estimate
of Edward E. Pratt, chief of the
bureau of foreign and domestic com-
merce. Mr. Pratt has just complet-
ed a study of the reports of Ameri-
can consuls and commercial repre-
sentatives abroad, of agents of his
bureau in this country and of the
new orders for American manufac-
tures and products reported in com-
mercial periodicals.

If the ratio of increase recorded
since August, when the war began,
is maintained until next August he
estimated that new orders placed on
the books of American firms will to-
tal half a billion dollars.

DAMAGE SUITS AGAINST GOV. WEST AND COL. LAWTON

Baker, Ore., Dec. 2.—Trial of two
suits for damages filed by William
Wiegand and H. A. Stewart, against
Gov. Oswald West, Col. Lawton of
the Oregon militia and Sergeant Wal-
ton of the Oregon militia, as a re-
sult of the declaration of martial law
at Copperfield last January, has been

set for Dec. 17 by the Baker county
circuit court. The cases are said
by lawyers to be among the first in
the United States in which a gover-
nor has been sued for damages on
account of his official acts.

Wiegand demands \$4,000 and Stew-
art \$3,500 for the destruction of their
modern saloon business at Copper-
field and the confiscation of their
stocks and liquor.

LYDDITE EXPLODES KILLING SIX MEN

Bradford, Eng., Dec. 2.—A large
stock of lyddite exploded with a
roar today in a chemical works near
this city. Six men were killed and
many others injured.

Hundreds of windows in Bradford
and nearby villages were broken.
The people were in great alarm, some
of them believing that the noise was
the roar of guns of an invading Ger-
man army.
